

## **M35-39 age-group official!**

Dear All !

I am very happy to inform you that the IAAF Congress in Helsinki have decided to make the M35-39 age-group official, i.e. men become masters from 35 years of age like women. The voting was 89 votes in favour of the proposal and 77 votes against.

The French President talked against the proposal - wishing that the women age would be raised to 40 years - but a strong information from Cesar and the IAAF Council behind the proposal resulted in the successful result. It was a very good decision.

Now this age-group will be official in San Sebastian and I will to-morrow inform Iñigo and of course already to-night post the news on our website.

All the best !
