

TEAM MANAGER MEETING MINUTES

Saturday 23th SEPTEMBER 2023

Opening by Giovanni Tracanelli

Today there will be a moment of silence at 11.00 am. because of the death of the former President of Italy.

In hammer throw, there will be 2 groups, because 23 athletes are confirmed.

Giovanni will send the Excel files of the timetables this morning.

On Monday there will be a market at the side of the road along the stadium, so there might be difficulties with parking, especially for campers.

Janusz Krynicki

Questions: Finland: applying for measurement of non-valid attempts at throwing events (f.e. when the javelin had landed 'flat'). Alan states that if the red flag is raised, an athlete can protest to the Referee. Finland: there is a difference in assessment of the landing of the javelin. But that's another story.

Alan Bell

The distance signs for throwing are arranged.

Yesterday everything was very punctual in the events; the decathlon was perfectly arranged.

Sweden: in the call room in Francavilla athletes were obliged to wear two bibs. And were asked for an ID card. Alan will talk to the competition director in Francavilla.

They can ask for an ID f.e. if two athletes have the same name.

About starting- and follow-up heights: WA rules are followed: progression is 5 cm. Here, we didn't put in starting heights because we want to have a at least good attempt for everyone. From the lowest height it will go up with 5 cm.

Sweden: but if someone likes to start on f.e. 1,51m instead of 1,50. (because of a record), would that be possible? It will always be started with ...,00 or ...,05, only at the end they can go to (f.e.) 1,84.

Danmark: please attention to the starting procedure: sometimes an athlete in lane 8 can not hear the starting gun (better loudspeakers?) Janusz will discuss it with the technical staff.

Yesterday there was a delay in 100m. hurdles (1 hour); the announcement was done too late because the website was not updated.

Belgium: will the cage for weight throw in Francavilla be ready for tomorrow? It will be.

Next Team Manager Meeting: Sunday 24st September at 9:00 am
